Bushehr Port, Experience of a Confidence

Bushehr Port Especial Economic Zone

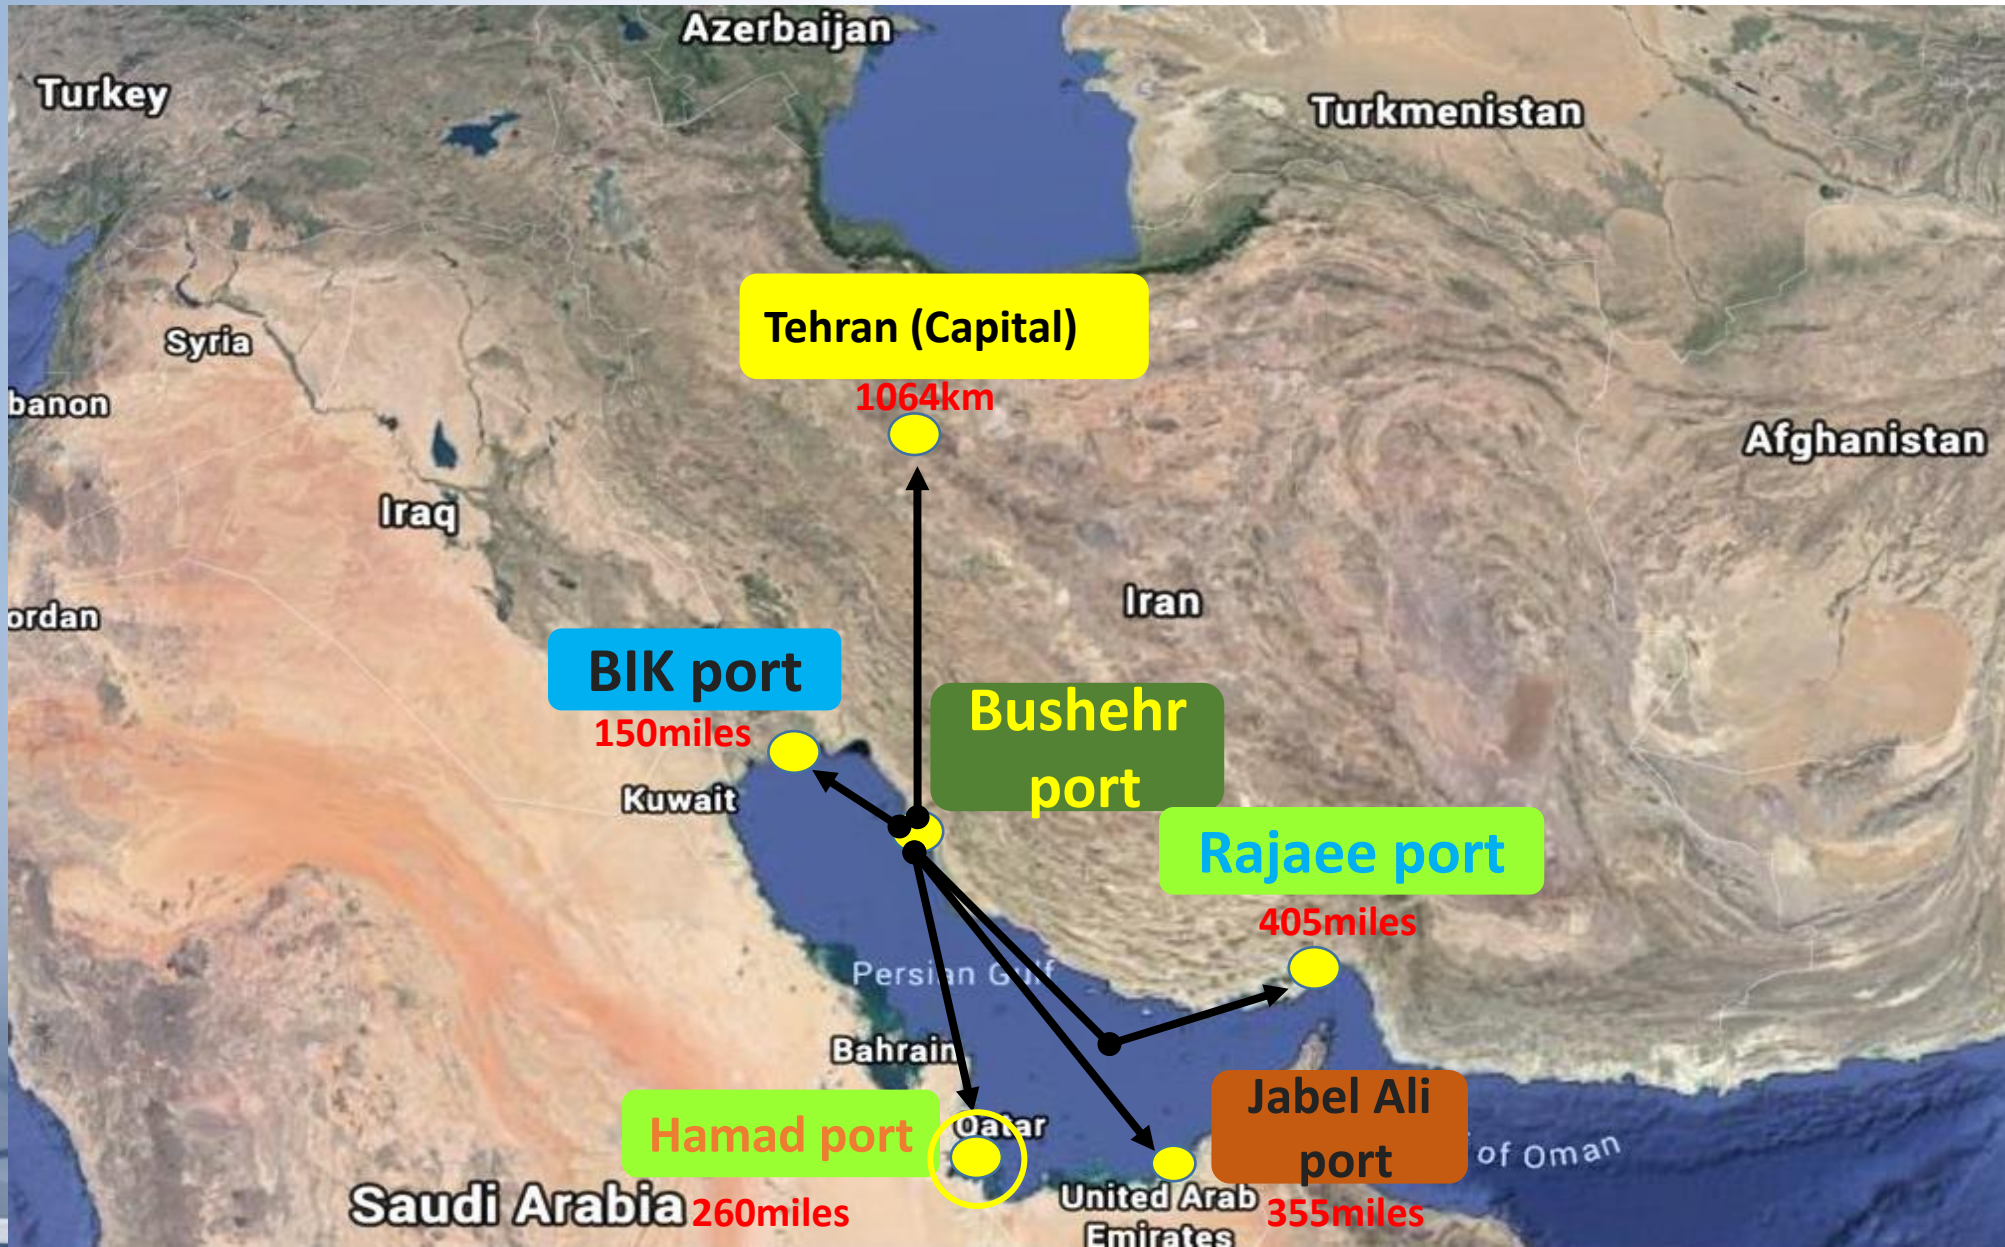

Bushehr Port Introduction

- Location & Distance to nearby Major Ports
- Overview
- Maritime access channel
- Maritime Facilities
- Port General Plan
- Container Terminal
- Container Share in Iranian Ports
- Terminal 1&2(General cargo/Container)
- Current &Future development
- Investment Opportunities

Bushehr Port Location & Distance to nearby Ports

Bushehr Port overview

- Port Area: **57 hectares** + **70 Hectars** in Negin Island & reclaimable up to **400 hectares**
- Port Nominal Capacity: **7 million Tons**
- Container Capacity: **320,000 TEU** + **300,000 TEU** in Negin Container Terminal
- Distance from nearest airport: **3 km**
- Rating in terms of overall performance: **The 3rd largest port in Iran**
- Rating in terms of container operation: **The 2nd largest port in Iran**

Maritime access channel

Length:9200m
Width:150
Depth:10.8m

Outer channel

Length:4300m
Width:140
Depth:10.3m

Inner channel

Turning basin
(450m)

Bushehr Port

Outer Anchorage
(Depth:15m)

Maritime Facilities

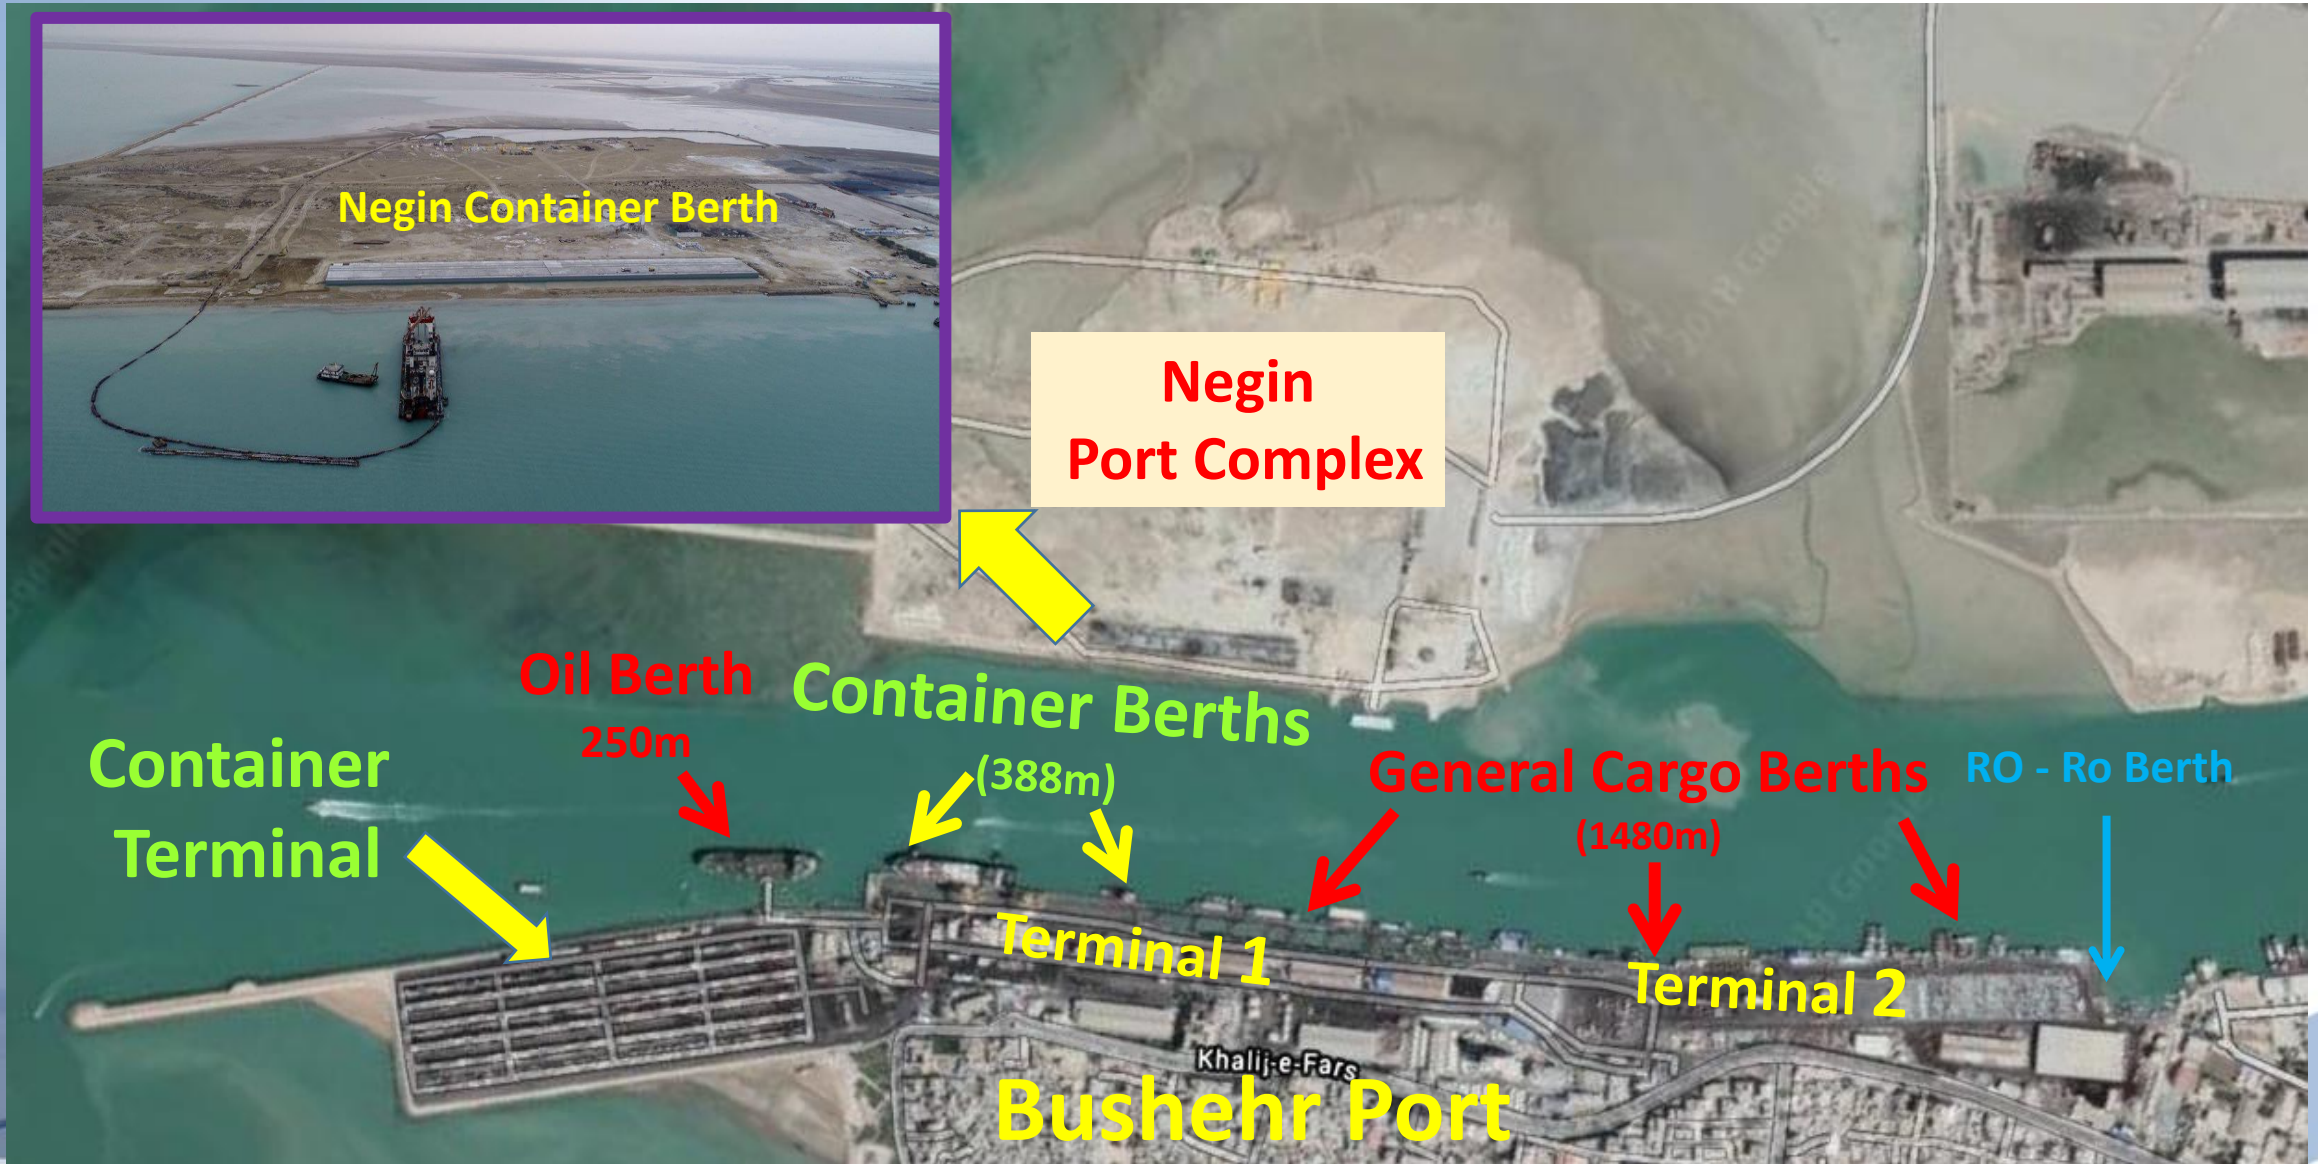

Tug Boat: 10
Pilot Boat: 2
SAR Boat: 6

Dredger: 3 Cutter dredger
Multicat: 3
Barges: 3

Bushehr Port General Plan

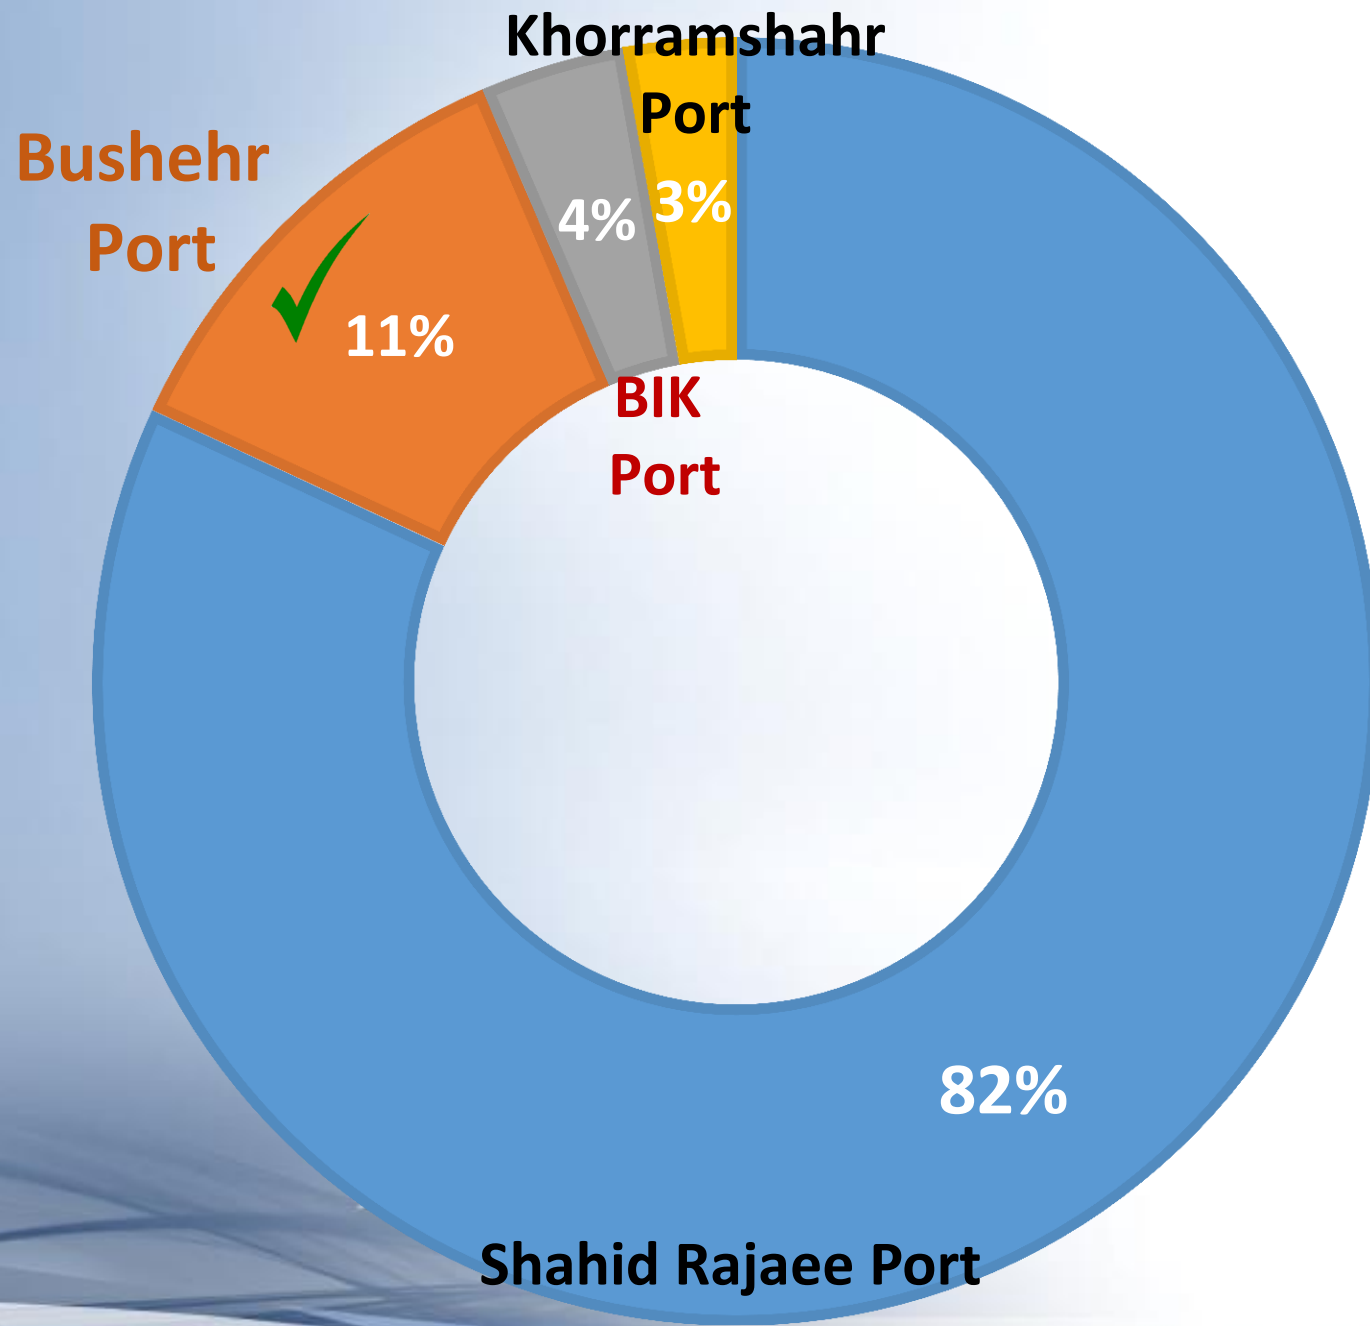

Container Terminal

Yard (Facilities & Equipments)	
Area	25 hectares
Capacity	12000 TEU
RTG	6
Reach Stacker	14
Empty Stacker	7
Reefer points	500
Trailer	36

Quay (Facilities & Equipments)	
Berths	2
Capacity	30000 Ton
Length	388 m
Depth	12 m
Allowed draft	10 m
Gantry Crane	2 (45 TON)

CONTAINER SHARE IN IRANIAN PORTS

Terminal 1&2(General Cargo)

Yard Equipments

➤ Mobile Crane:

LTM120: **1**

LTM100: **1**

LHM320: **2**

➤ Forklift: **34**

➤ Tractor: **9**

➤ Trailer: **21**

Facilities

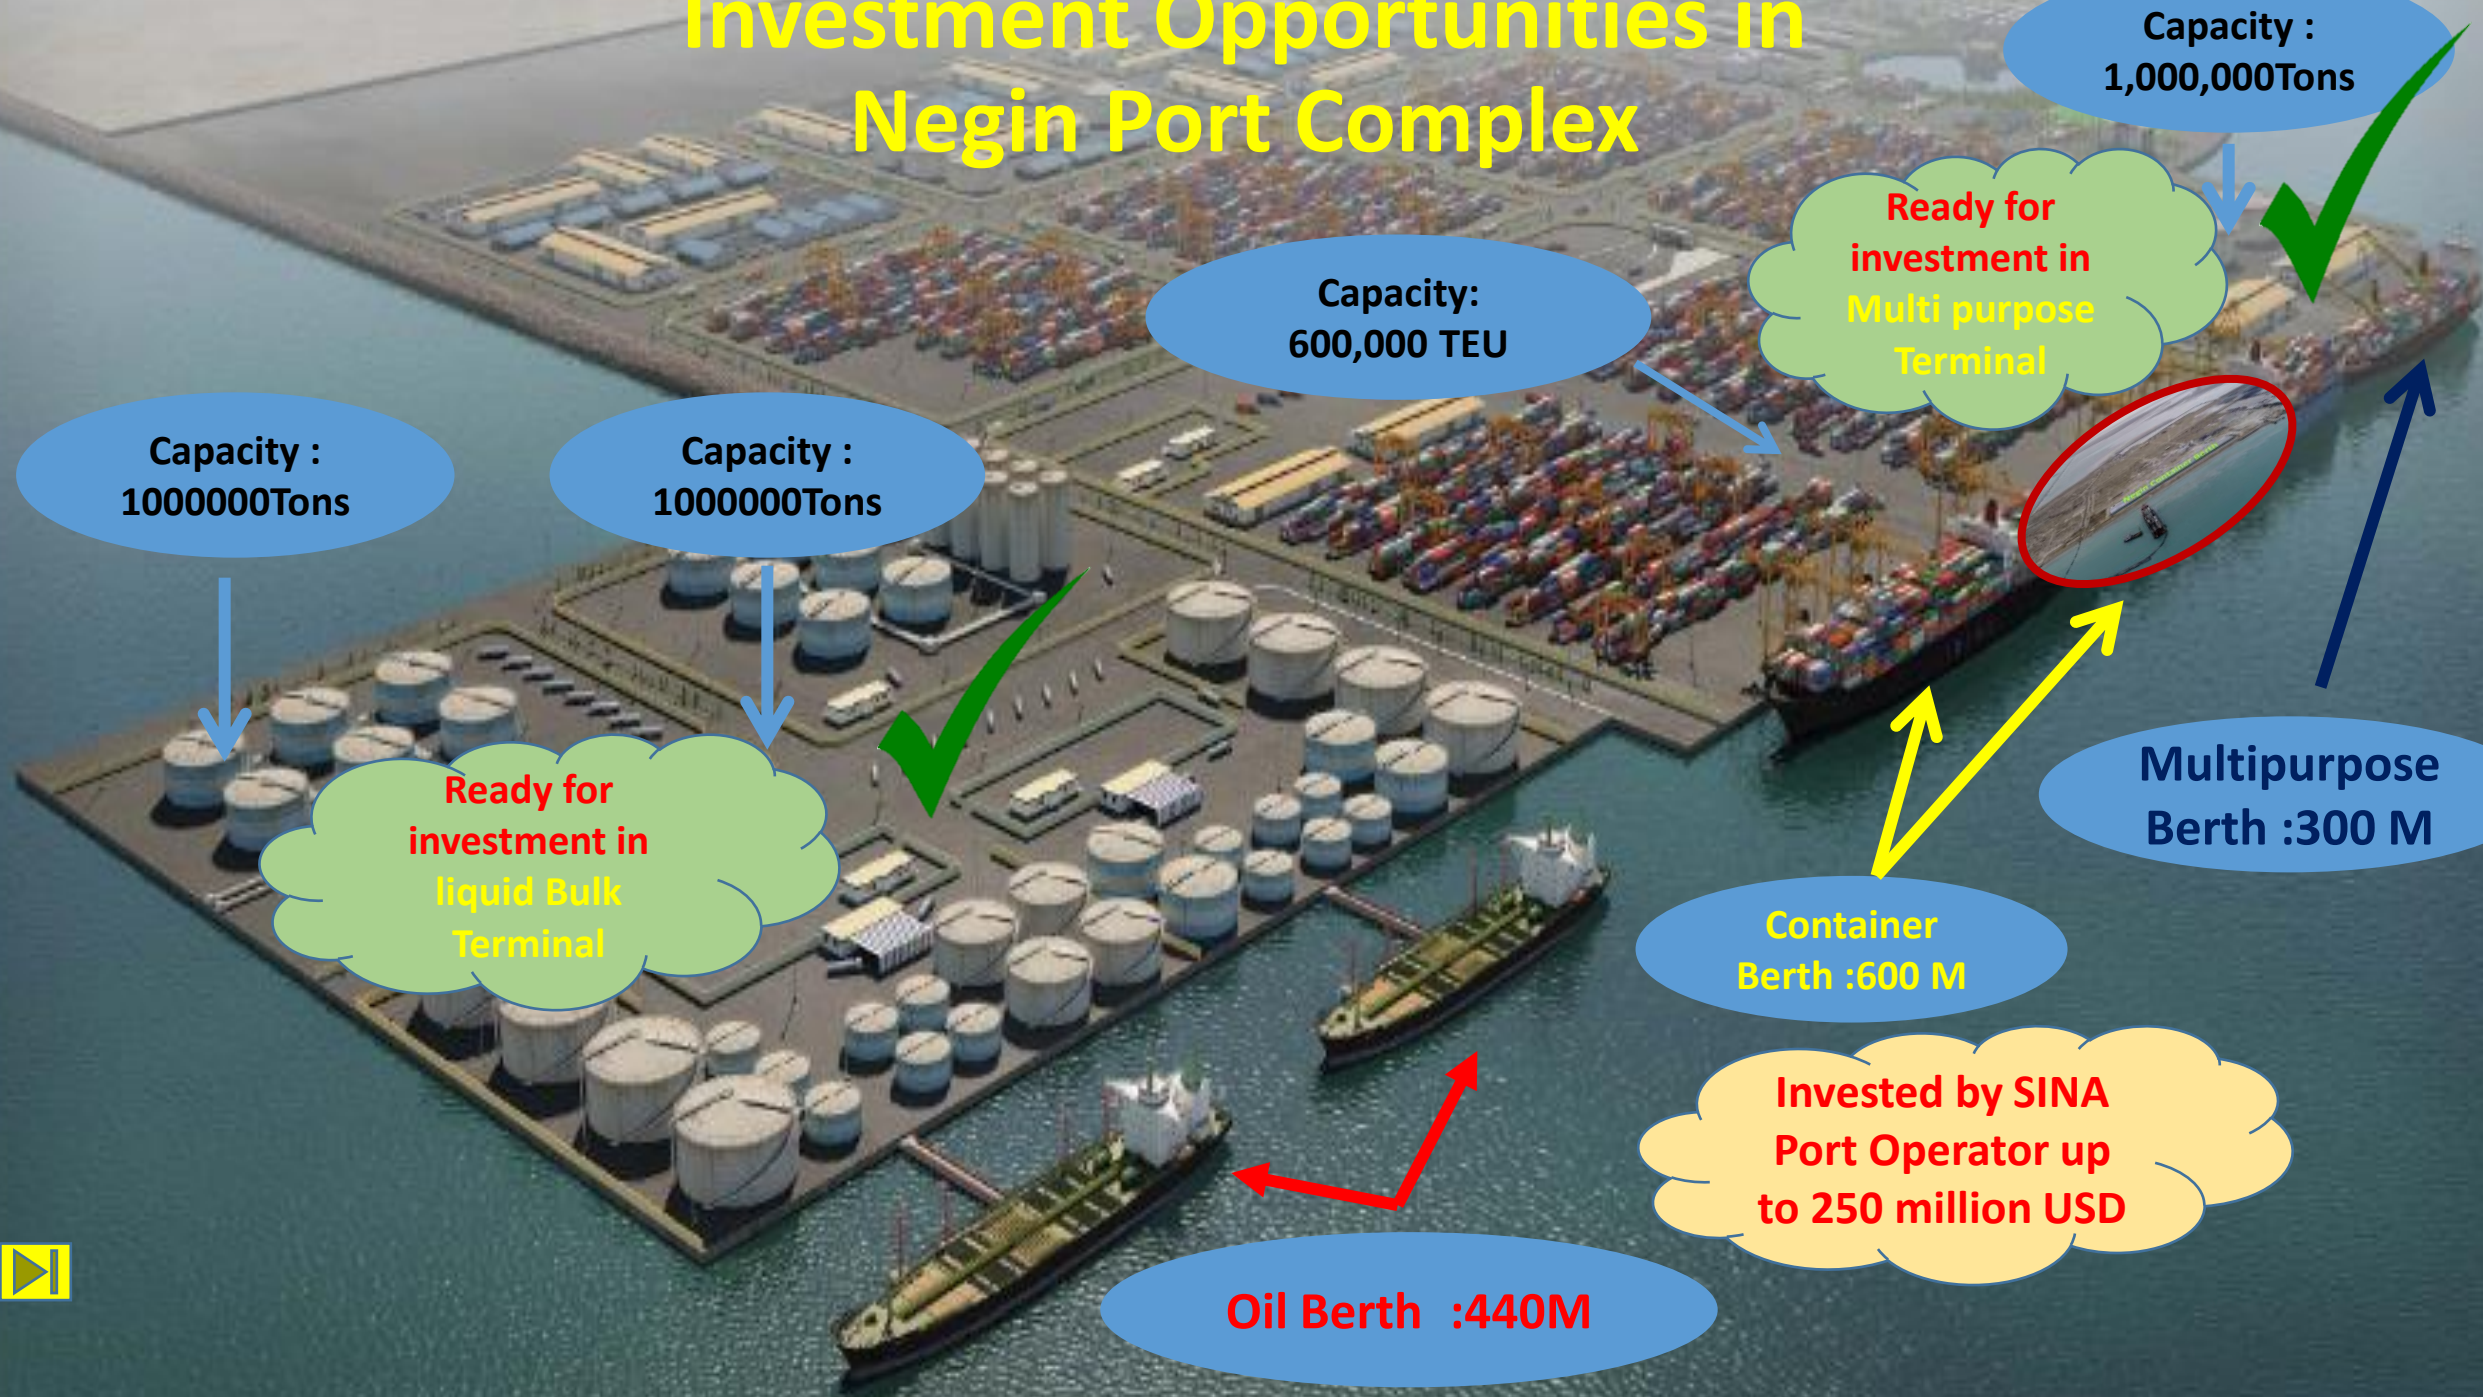

- Open Storage Area: **234,020m²**
- Closed Storage Area: **31,733m²**
- Number of Berths: **3**
 - Capacity: **15,000tons**
 - Length: **504m**
 - Depth: **8.5m**
 - Allowed Draft: **8m**
- Number of Berths: **6**
 - Capacity: **5,000Tons**
 - Length: **650m**
 - Depth: **7m**
 - Allowed Draft: **6m**
- Cool House
 - Capacity: **5000 tons**
- Tank Farm
 - Capacity: **13,500 M³**

Current & Future Development in Negin Port complex

Investment Opportunities in Negin Port Complex

Capacity : 1,000,000Tons

Ready for investment in Multi purpose Terminal

Capacity: 600,000 TEU

Capacity : 1000000Tons

Capacity : 1000000Tons

Ready for investment in liquid Bulk Terminal

Multipurpose Berth :300 M

Container Berth :600 M

Invested by SINA Port Operator up to 250 million USD

Oil Berth :440M

Huge Mine Sources & Mineral Export Terminal necessity

Dashti & Tangestan
Mines

Ready for
investment in
Mineral Export
Terminal

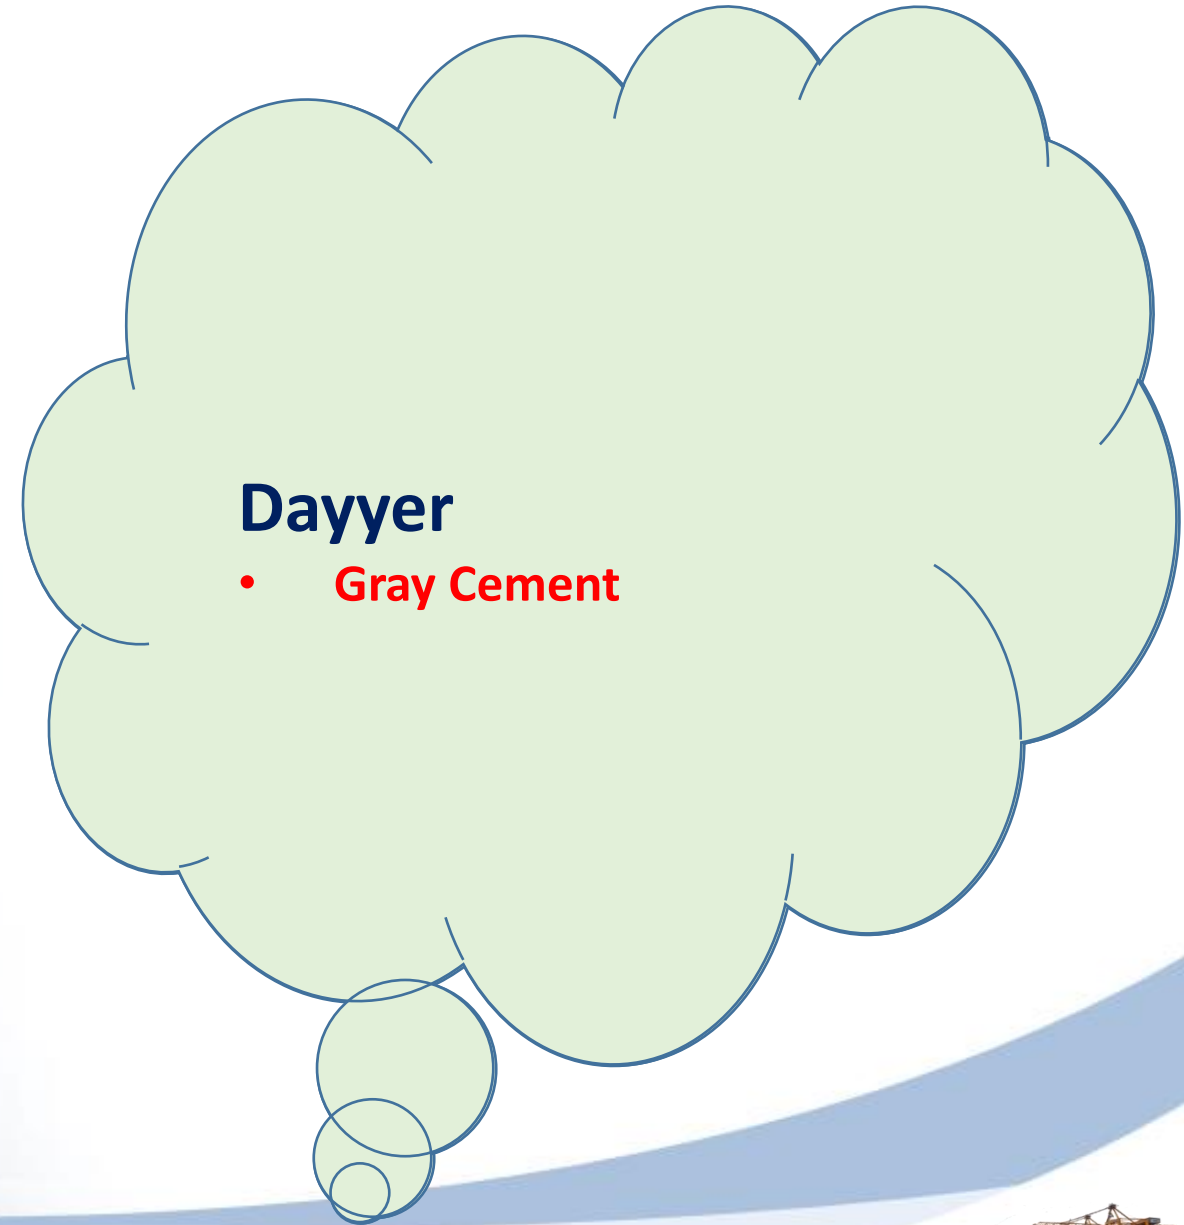

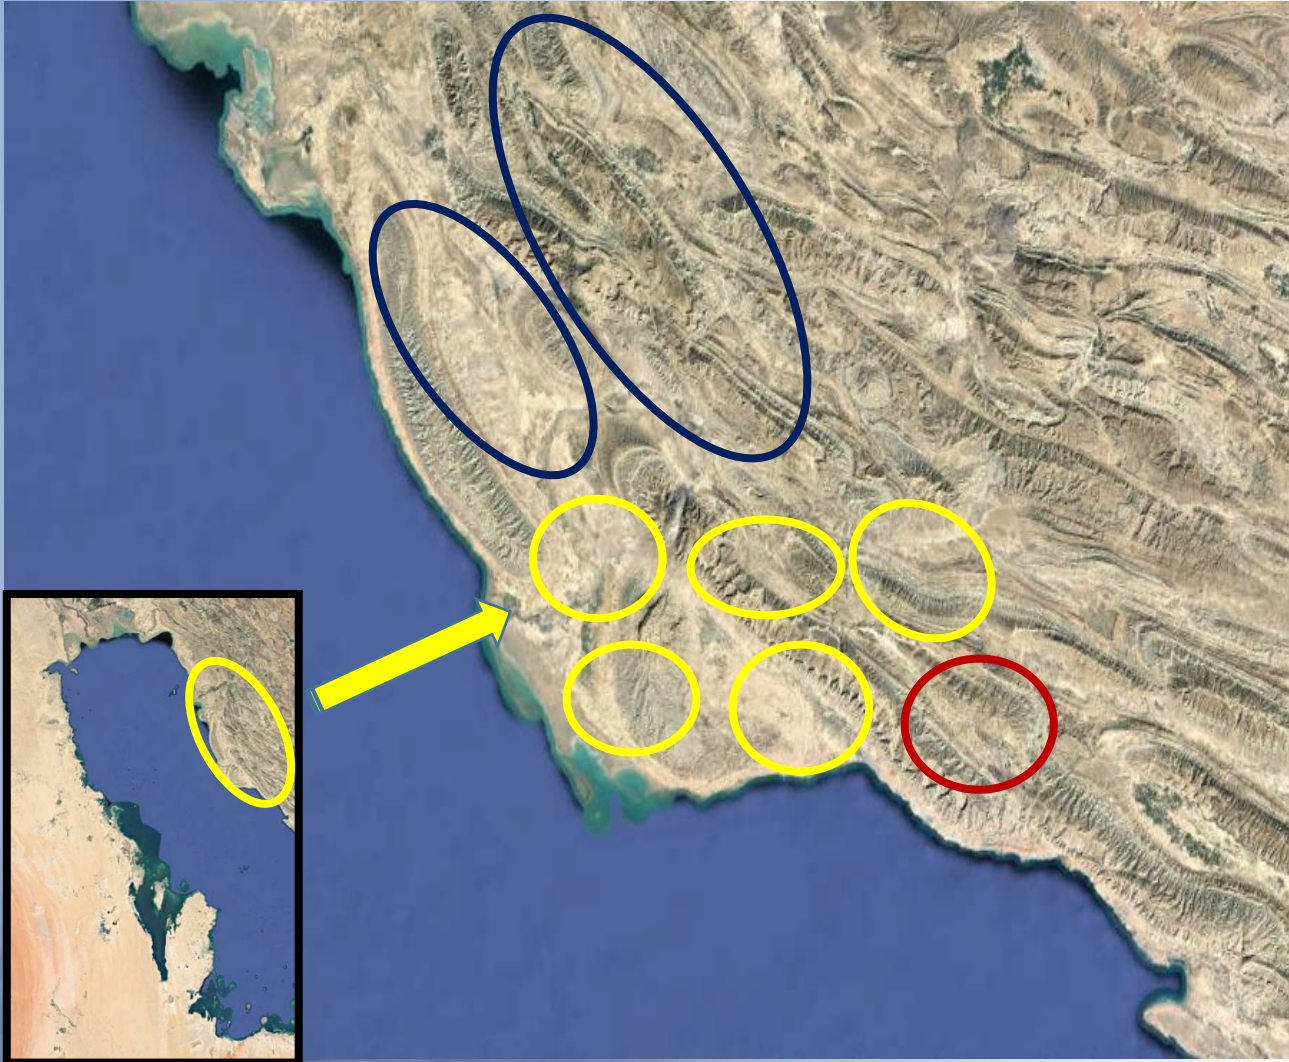

Jashak & Dorahak
Mines

Known Weight: more than 2000 Million tons
Type: Sand, Gravel, Limestone, Armor, Filter,...
Distance to the coast: 5 to 30 Kilometers
Distance to Qatar: 140 Miles

Known Weight: more than 1500 Million tons
Type: Sand, Gravel, Limestone, Armor, Filter,...
Distance to the coast: 15 to 30 Kilometers
Distance to Qatar: 100 Miles

Bushehr Province Mine sources for investment

Cement Factories in Bushehr Province & necessity for investment in Mineral Export Terminal

Mond Cement company

Capacity: 3500 tons per day

Dashtestan Cement Company

Capacity: 2000tons per day

Kangan Cement Company

Capacity: 6000tons per day

Ready for
investment in
Mineral Export
Terminal

Gypsum Factories in Bushehr Province for investment in Mineral Export Terminal

- **Etihad Gypsum Company**
 - Capacity: 600 tons per day
- **Jazireh Gypsum Company**
 - Capacity: 500 tons per day
- **Kansar Sang Gypsum Company**
 - Capacity: 1000 tons per day

Ready for
investment in
Mineral Export
Terminal
